The Frankfort Tragedy.

Hinton and Miss Mary Irvine Davis of this city, were in the Capital Hotel but did not see the tragedy. Scott's body fell almost at the feet of Mr. Gorey. Chas. George Parris Assigns

GEORGE PARRIS, the well known grocer, made an assignment yesterday to attorney J. J. Williams, for the benefit of his creditors. The schedule of his assets and liabilities has not been filed.

Card From Geo. N. Parris.

I take this method to thank the friends who have stood by me in my financial trouble. I have enough owing me to more than satisfy the claims which forced me to assign, and I hope to pay every cent I owe in full, and be free from debt to start in business again some time in the future. Again thanking my friends, I am, Respectfully, GEORGE N. PARRIS.

Bowling Record Broken.

Jake Spears broke the local record at the bowling alley Tuesday by scoring 256, after getting a bad start in the first frame. His score is as follows:

1	2	3	4	5	6	7	8	9	10	
S.	8	88	68	98	128	137	177	197	227	256

Mr. Spears also held the record at the Paducah alley, having scored 263 at that place.

The Oldest Colored Preacher.

ELD. SAM BUCKNER, of this county, is probably the oldest active colored preacher in Kentucky. He joined the Christian Church under Eld. John Rogers, who baptized him. He has heard Eld. Alexander Campbell, Eld. Barton Stone and other noted ministers who have preached at Cane Ridge Church in bygone days. Eld. Buckner is an octogenarian and is the father of eleven children. He still preaches when the weather is not too bad for him to fill an engagement. He was raised by Mr. Walker Buckner's grandfather, and was never in the court house but once, then as a witness in a case.

Excursion to Maysville.

THE L. & N. will sell tickets at \$1.50 round trip to Maysville, Saturday, January 20th, return same date on regular train or special train leaving Maysville at 4:15 arriving at Paris at 6:15, on account of the Maysville Tobacco Exposition. F. B. CARR, Agent.

A Voting Machine.

January & Connell, of this city, have secured the rights to sell the Standard Voting Machine, which has been legalized by the legislatures of New York, Ohio, Michigan and Minnesota, and which has been adopted by the cities of Buffalo, Rochester, Utica and Ithaca, N. Y.

The machine shows a regular State ballot with all of the tickets to be voted for, together with a finger pointing to each name on the ballot. The voter selects his ticket and by pulling the Straight Ticket Knob over the emblem votes for every name on the ticket. If he wishes to vote a split ticket he moves the finger back from the name he wishes to scratch, then pulls the Straight Ticket Knob. The lever he pulls to throw open the curtains registers and counts his vote. The machine has no spoiled ballots and no blanks. Every vote is registered and counted and the result can be known in a remarkably short time after the polls are closed. After the polls are closed and the machine locked against voting, the rear doors are unlocked and the vote of each candidate is shown on the counters ready to be copied for the election returns.

The machine was used at the November election at Buffalo and an hour after the polls closed the evening papers published correct returns from the 108 district in the city.

Mr. January has already talked with a number of the Kentucky legislators regarding the machine, and the manufacturer will come to Frankfort in February to have the machine, used in Kentucky.

I KEEP my salt indoors out of the weather. Every barrel I send out is as fresh and clean as the day it was packed. Geo. W. Stuart, opposite L. & N. freight depot.

If you cannot read this small print at a distance of 14 inches your eyesight is failing and should have immediate attention:

Imperial spectacles and eyeglasses have perfect lenses, always perfectly centered and made of purest material, set in frames of the highest elasticity and consequently of great durability, united with the utmost lightness and elegance. When both frames and lenses are scientifically fitted by Dr. C. H. Bowen's system they always give satisfaction for they are perfect. Never buy cheap spectacles, nor of men who do not know how to fit them. You will get poorly adjusted spectacles, or poor, imperfect lenses, and are better off without any glasses than with either of these defects. Buy Imperial spectacles of a reliable, skillful dealer, and they will last longer without change and be cheapest in the end.

We have engaged the services of Dr. C. H. Bowen who will visit our store on the second and last Thursdays of each month and invite all to call and have their eyes examined, for which there is no charge. Satisfaction guaranteed or money refunded.

Next visit—Thursday, January 22, 1900. Hello, 170.
